Tournament Format

Format:

- Saturday: Each partner tees off and plays the partner's ball for the second shot. After the second shot, the couple selects the best ball and plays that ball alternately to complete the hole.
- Sunday: Each partner tees off. The couple selects the best ball and plays that ball alternately to complete the hole.
- Play will be the same on all holes (including par 3's)

Tee Boxes: Women will play from the red tees. Men 64 and younger will play from the blue tees. Men 65 or older may choose to play from either the blue or white tees. The same tee box must be used on both rounds. Selection must be made on page 1. If no selection made, blue tees will be used.

Two handicapped divisions will be created – GHIN and Callaway.

- Couples where both members have a GHIN handicap will play in the GHIN division. The tournament handicap will be calculated as 60% of the lower course handicap plus 40% of the higher course handicap. Flights will be decided based on this tournament handicap. Handicaps as of July 26 will be used.
- All other couples will be placed in the "Callaway" division. A tournament handicap will be calculated based on the Callaway Scoring System. Flights will be determined based on Saturday's gross score.
- Both days scores will count to determine winners of all flights and divisions. You must play with the same partner both days to be eligible for flight prizes.

Saturday Birdie Pool (optional \$5) – Teams will get their names put into a drawing for each birdie or better - one for a birdie, two for an eagle. 100% cash payout. Each ticket drawn will be worth approximately \$20.

Hole-in-One Insurance (optional \$3 person). If you get a hole-in-one, you will receive drink tickets to buy everyone a \$3 drink. Tickets must be used during the weekend.

Rain out: If one of the days is rained out, winners will be computed based on one day scores. Reimbursements will be made for partial cart fees, trail fees, and greens fees.
